

ROUND TOWN

BURNED TO DEATH—Charles, the infant son of Mr. and Mrs. F. M. Thorp, was burned to death last Tuesday afternoon at about 2:30. With his little sister he was playing in a cow barn. The girl evidently had matches, and in some way set fire to the hay. As soon as the fire was discovered the volunteer department got the apparatus up the bluff as speedily as possible and saved the destruction of other buildings. Mr. and Mrs. Thorp having been told by the older child that the baby was in the hay, did their utmost to get it, but were unable to see anything of it and the belief now is that it was in the manger. After the fire was subdued an eager search was made and the body soon found. It was buried at Warren cemetery on Wednesday last. Rev. Asa Sleeth conducting a short service. This is the second child Mr. and Mrs. Thorp have lost during the past year, and the people of St. Helens deeply sympathize with them in their great misfortunes.

Johnston and Claud Rathborn, the ceremony being performed by Judge Darr at the court house on July 2nd. Also for the marriage of Rachel A. CAPITAL STOCK RAISED—At the quarterly meeting of the Board of Directors of the Columbia County Bank, held at the close of business June 30th, the capital stock of the bank was raised to \$25,000. This is all paid up, not merely subscribed. The bank was started in December 1905, and it is therefore a little the oldest and decidedly the largest financial institution in the county. It has been a factor in the growth of the community and its influence for good has been felt and appreciated. There has never been a day, even during the panic, when a depositor could not get money to transact business, and this fact has greatly strengthened its standing throughout Columbia County.

As safe as a Government Bond and twice as profitable. This is what a deposit at the Columbia County Bank will prove to be. Time Certificates of Deposit draw 4 per cent.

We call attention to the water notice published in this issue. The Board trusts that all consumers will be careful in their use of the water, as otherwise there is liable to be a shortage during the hot weather. Before the middle of August the new supply will be available and there will be an abundance for all purposes.

Rev. W. B. Hollingshead D. D. District Superintendent, will preach at the M. E. Church in St. Helens, next Sunday at 11 a. m. and administer the Sacrament of the Lord's Supper.

Mr. Dimick is a speaker well acquainted with the subjects which he takes up, and will undoubtedly handle them in excellent shape.

At its meeting last Tuesday night the City Council accepted the plans of Goodrich & Goodrich, of Portland, for our new City Hall. The hall will stand on the city lot across the street from the M. E. Church, and will be a two story structure, instead of three as at first intended. On the first floor will be council chambers, police court, quarters for the Commercial Club, a large room for the fire department, and another for the Water Commission. The entire top floor will be used as a hall, and will be the largest and most convenient one in the county. The building will probably be completed in about three months.

Our old friend from Rainier, Coroner Frank Sherwood, who is always very fond of playing jokes on all his friends, was the fall guy in great shape last Saturday. He received word to hurry to Scappoose and take care of a corpse, and took the first train for the dry town up the line. At Houlton he was intercepted by a telegram informing him that his services were not required as the "corpse" had sobered up sufficiently to show signs of life and to dispense with a funeral.

Editor Bailey, of the Cathlamet "Sun" to place when they played ball here a couple of weeks ago, and he certainly shows by the write-up of this locality that the right spirit prevails in his neighborhood. He praises this section as one containing much natural wealth, and speaks of our ball team in the highest terms of praise—said that the visiting nine was accorded fair treatment, and even went so far as to praise the umpire. At some future date the local ball nine will go to the lower river town, and undoubtedly the trip will be an enjoyable one.

L. R. Rutherford and family spent the Fourth in St. Johns, making the trip to that place in their automobile. Wilbur Muckle made a trip to Rainier in his auto last Saturday, but he says "Never again." As far as Goble he says the roads are very fair, but beyond there they are next to impassable. He sent his machine back to St. Helens on one of the boats.

Mr. and Mrs. W. C. Van Dersal, of Portland, spent the Fourth at the residence of the editor.

RAINIER CELEBRATES

The Fourth of July celebration for Columbia County was certainly held at Rainier this year, and that the fact was duly appreciated was shown by the large crowd that attended.

Starting with a baseball game Saturday, July 2nd, the celebration was one perpetual round of pleasure until the "Home, Sweet Home" waltz was played at the grand ball in the K. of P. hall on Tuesday night, making it just what was advertised, four days of the best fun that has been seen in many a day.

Everything was under the personal supervision of members of the Rainier Volunteer Fire Department, and that bustling organization kept the ball rolling in a way that would please the most exacting Saturday program included a ball game, a band concert and a dance in the Knights' hall Sunday the lay's festivities started with a band concert in the morning.

Followed by a log rolling contest, and more music by Rainier's Columbia Concert band. This band is an institution of which our neighboring city has just cause to be proud, and it is to be hoped that the band to be organized at this place will be supported and made into the excellent institution that it is.

In the afternoon the Rainier team defeated the Greenfield Blues, of Portland, by a score of 5 to 4 in a game that ran 10 innings and was full of fast work. Launch races and music took up the time until the evening's minstrel entertainment.

MONDAY, JULY 4TH.

Was the big day and about half the population of the upper end of the county went down to boost the celebration. Shortly after the arrival of the train the grand street parade was held. The address of welcome was delivered by L. S. Thomas, and any one hearing it could not but feel that the citizens of Rainier were glad to see them and wanted to show everybody a good time.

Mrs. Jack Appleton, of Deer Island, read the Declaration of Independence. Mrs. Appleton is one of the most talented readers in this part of the country, and her part of the program was given close attention.

The oration of the day was delivered by Hon. Grant B. Dimick, of Oregon City, and was one of the best we ever had the privilege of listening to. Mr. Dimick is a fluent talker, and has the attention of his audience at all times.

At 12 everybody partook of the barbecued meat, and here is a good place to say that it was really excellent. Many will doubt this statement and say that it is impossible, and that barbecued meat is never eaten because it is good, but only because it is the Fourth of July. This time is the exception. A number of the usual sports were indulged in, after which came the

BALL GAME.

It was awful—as viewed by a resident of St. Helens. Rainier has a good nine and it is our honest opinion that the game would have went their way even had they played their local team, but that would not satisfy Big Sam. He went to Portland and secured the services of Tom Seaton, of McCredie's Coast Leaguers, and Roy Willett, of the Vernon nine. A nice sociable little job to put up on us when we went down to help make their celebration a success and with the same nine we have been playing all season. The boys protested and should have absolutely refused to go on the field. But the slaughter was started and when the end tale was all told Rainier had 12 runs to a lonesome one secured by our boys in the first inning. After the game the festive greasy pig and the lean, long greasy pole contributed to the day's fun—also a pie-eating contest, etc.

The program on Tuesday was about the same as Monday's, except that the Clatskanie team took part the ball game, which ended in an eight to six score in favor of Rainier.
